Holland RIASEC Psychometric Test - Career Assessment

Institutional Distinctiveness in the Specified Area
“Empowerment of Rural and Socio-Economically Marginalized Women through Holistic, Skill-Oriented, Value-Based Education and Employability.”

SKR & SKR Government College for Women (A), Kadapa, is uniquely positioned in its commitment to empowering women, particularly from rural backgrounds, by providing inclusive and transformative education. The institution focuses on nurturing students not only academically but also equipping them with essential life skills, values, and employability competencies required to face real-world challenges.

The college adopts a holistic approach by integrating Outcome-Based Education (OBE) with student-centric and experiential learning practices. Teaching-learning processes are enriched through seminars, projects, field visits, guest lectures, and blended learning methods. Equal emphasis is given to value-based education, discipline, and ethical development, shaping responsible and confident individuals.

A distinctive feature of the institution is its strong focus on skill development and employability. Through platforms like JKC, NSS, NCC, RRC, and various training programs, students are provided with opportunities to enhance communication skills, leadership qualities, digital literacy, and career readiness. These initiatives bridge the gap between academic learning and industry requirements.

The college also promotes holistic development through active participation in cultural activities, sports, community service, and national programs, fostering social responsibility and civic engagement among students.

By consistently supporting women from rural and socio-economic backgrounds with quality education, skill enhancement, and value orientation, the institution has created a distinctive identity as a center for women empowerment, academic excellence, and sustainable development.

Approval of Academic Calendar

A structured academic calendar was approved to ensure systematic conduct of teaching, learning, and evaluation processes.

Strengthening Board of Studies (BOS)

Inclusion of external subject experts in BOS for quality curriculum design

and academic benchmarking.

Promotion of Innovative Teaching Practices

Adoption of ICT-enabled, blended learning, seminars, workshops, and student-centric methodologies.

B. Controller of Examinations

- Examination reforms proposed and implemented

Introduction

During the Academic Year 2025–26, the Examination Section has initiated and implemented key administrative and financial reforms to improve efficiency, transparency, and accountability in the conduct of examinations and related processes.

Key Reforms Implemented

1. Strengthening of Financial Procedures

A structured financial system has been introduced by implementing:

Separate Payment Vouchers (PV) for bank/NEFT transactions and Cash Vouchers (CV) payments

Proper documentation including sanction notes, claim bills, and vouchers for all payments

Systematic processing of remuneration for invigilation, valuation, and examination-related services

Maintenance of digital and physical cash books for accurate record keeping

2. Improved Documentation and Record Management

Standardized file management with file identification cover pages

Proper maintenance of stock registers (consumable and non-consumable) and service registers

Introduction of certification practices such as:

“Item received in good condition”

“Entered in stock register”

Use of PAID / CANCELLED stamps to prevent duplication of payments

3. Online Fee Management and Reconciliation

Systematic handling of online fee collections through Bill Desk
Preparation of day-wise fee collection summaries

Reconciliation of online collections with bank credits

Clear classification of regular and supplementary examination fees

4. Standardization of Examination Procedures

Streamlining of processes related to:
Examination fee notification and circulars
Hall ticket generation and issue
Question paper handling and printing
Coding and bundling of answer scripts

Adoption of structured procedures for conduct of examinations and bundle management

5. Strengthening of Communication System

Issuance of typed official circulars with proper reference numbers
Department-wise circulation with acknowledgment
Display on notice boards and dissemination through WhatsApp channels for wider reach

6. Result Processing and Basic Analysis

Organized maintenance of result records and award data
Preparation of program-wise and course-wise result summaries

Identification of pass percentages and general performance trends for academic review

Outcome

These reforms have resulted in improved:
Transparency and accountability in financial transactions
Accuracy in documentation and record keeping
Efficiency in examination conduct
Readiness for audit and administrative review

CIA

CONDUCT OF CONTINUOUS INTERNAL ASSESSMENT (CIA):

The Internal Assessment marks shall be awarded as per the SOP issued by the CCE. During each semester, 2 internal examinations are held at a minimum interval of one month in between. The first internal examination commences after the 30-40th contact day. The duration of both the internal examination is 1 hour. Minimum pass marks for continuous internal assessment is 40 percent of total marks.

To ensure that internal examinations are conducted systematically, the internal exams are conducted by the examination cell. The Examination Cell is responsible for framing and announcing the time table for internal exams for all the UG programmes, obtaining the subject wise question papers from subject faculty, printing of question papers, conducting internal exams and distribution of the answer scripts for valuation to subject faculty.

The internal question paper is prepared as per Bloom's Taxonomy and should submit both soft and hard copies by the subject faculty to the examination office before 1 week of the examination schedule.

The Internal examinations answer scripts and award list shall be submitted to the Controller of Examinations within 10 days after the completion of the examination in the prescribed form provided by the COE.

Submitted to the Governing Body for Ratification

Mechanism for addressing grievances

1. Objective

To provide a transparent, time-bound, and student-friendly mechanism for addressing grievances related to examinations, including hall tickets, results, evaluation, and fee payments.

2. Nature of Grievances Covered

The Examination Section addresses grievances related to:

Non-receipt / errors in Hall Tickets

Discrepancies in student data (name, register number, course details)

Issues in exam fee payment / confirmation

Absence or mismatch in result / marks

Requests for revaluation / recounting (if applicable)

Any other examination-related concerns

3. Mode of Submission

Students may submit grievances through:

Written application to the Examination Section

Submission through the concerned Head of the Department

Email / official communication channels (where applicable)

4. Procedure

The grievance is received and recorded in the Examination Section.

Relevant records (fee data, attendance, award lists, etc.) are verified.

If required, the issue is referred to:

Concerned faculty / evaluator

Technical support (for online systems)

Necessary corrections or actions are taken in accordance with examination regulations.

5. Time Frame

Minor issues (hall ticket, fee confirmation): Resolved within 1–3 working days

Result-related issues: Resolved within 5–7 working days (subject to verification)

6. Record Maintenance

All grievances are documented and maintained for future reference, ensuring:

Transparency

Accountability

Audit compliance

7. Monitoring

The Controller of Examinations oversees the grievance redressal process to ensure timely resolution and proper documentation.

8. Conclusion

The Examination Section is committed to addressing student grievances promptly and fairly, ensuring a smooth and reliable examination system.

Mechanism for transparency in setting up of Question papers

Introduction

The Examination Section has adopted systematic measures to ensure transparency, confidentiality, and fairness in the process of question paper setting. These measures aim to uphold academic standards and ensure that assessments are aligned with the prescribed syllabus and learning outcomes.

Mechanism Adopted

1. Syllabus-Based Paper Setting

Question papers are strictly prepared in accordance with the approved syllabus and course outcomes. Faculty members submit question banks covering all units to ensure comprehensive coverage.

2. Panel of Paper Setters

A panel of qualified and experienced faculty members is identified for each subject. Paper setters are selected to ensure:

Subject expertise

Academic integrity

Balanced question paper design

3. Structured Question Paper Pattern

A uniform pattern is followed for all question papers, ensuring:

Proper distribution of marks

Coverage of all units

Inclusion of questions of varying difficulty levels

4. Confidentiality Measures

Question papers are collected and handled under strict confidentiality

Access is restricted to authorized personnel only

Secure storage is maintained until printing

5. Scrutiny and Verification

Question papers are reviewed to avoid:

Out-of-syllabus questions

Ambiguity or errors

Necessary corrections are made before finalization

6. Secure Printing and Handling

Printing of question papers is carried out under controlled conditions

Proper care is taken during handling, packing, and distribution to maintain secrecy

Outcome

The above measures ensure:

Transparency in preparation

Fair and unbiased assessment

Consistency across subjects

Reduction of errors and discrepancies

Mechanism for appointing examiners

Introduction

The Examination Section follows a structured and confidential mechanism for the appointment of examiners to ensure fairness, objectivity, and academic integrity in both question paper setting and valuation processes.

Criteria for Appointment

Examiners are selected based on subject expertise and academic qualifications, with preference given to faculty possessing a Ph.D. or equivalent experience.

To maintain impartiality, examiners are generally appointed from institutions outside the home district.

Care is taken to avoid any conflict of interest in the selection process.

Appointment of Question Paper Setters

Question paper setters are identified from a panel of qualified external experts.

Appointments are communicated strictly through confidential email correspondence.

Question papers are prepared in accordance with the prescribed syllabus and submitted securely to the Examination Section.

Appointment of Valuers

A dual system is followed for valuation:

For certain semesters, answer script bundles are sent to external institutions (preferably outside the district) for valuation.

In other instances, centralized valuation is conducted within the college, inviting external subject experts to ensure objectivity and uniformity.

Confidentiality Measures

Examiner details and communications are maintained with strict confidentiality.

All correspondence is handled through official and secure channels, primarily email.

Question papers and valuation materials are handled under controlled conditions to prevent any breach.

Outcome

This mechanism ensures:

Fair and unbiased evaluation

Maintenance of academic standards

Transparency and credibility in the examination system

Fee structure for all professional Courses is regulated by AFRC (Admission and Fee Regulatory Committee). A body constituted by Government of Andhra Pradesh as per the direction of the Supreme Court. This Policy of admission and fee structure for Professional courses is therefore applicable to SKR & SKR Govt. Degree College for Women, Kadapa.
- (ii). In the case of non-professional P.G. Courses such as M.Sc., M.A., M.Com., etc. It is the policy that admissions to various colleges are made by the respective Universities on the basis of Common Entrance Test conducted by them. The fee structure for each subject is uniform in till the colleges of the University and is regulated by the university concerned. The same policy of **Admission and Fee Structure for non-professional P.G. Courses is also applicable to SKR & SKR Govt. Degree College for Women, Kadapa.**
- (iii). The curricula for various P.G. courses, designing or revising will have to be done by the teacher of the department in the College: help may be taken from outside experts.
- (iv). For conducting and evaluating the P.G examinations papers, utmost care should be taken to maintain credibility and standards.
 - a). Setting up of question papers for terminal examinations should be done outside experts. Each question paper should be scrutinized by a Scrutiny board consisting of one internal and one external member. The scrutiny Board will have to look into the following aspects of the question paper:
 - All portions of the syllabus are covered in the question paper.
 - Question paper is properly structured and is of the expected standard.
 - Question paper is clearly worded without any mistake.
 - b). Double valuation with one internal and one external should be followed for evaluation of answer papers: there should be a provision for third valuation in case of discrepancy.
 - c). For conducting practical examinations, outside expert (from a University) along with an internal member should be involved.

The autonomy conferred is subject to the acceptance of the prescribed conditions mentioned above and such other conditions as may be imposed by the Executive Council/ Monitoring and Development Committee of the University from time.

The Principal & President CPDC,
SKR&SKR Govt. College for Women (A)
Kadapa

Sir,

Sub: Request to Accept the Donation for Students Welfare - regd.

We, the KotiReddy Charitable Trust, are pleased to inform you that we are making a donation to SKR&SKR Govt. College for Women (A), Kadapa, in memory of our grandparents. This donation is a testament to our grandparents' vision and mission of empowering women through education.

We are committed to supporting the college's efforts in providing quality education to its students. The donation amount of Rs 7,00,000/- (Rupees Seven Lakhs Only) which has been deposited into the CPDC account (A/C No. 31912200036482, IFSC CODE CNRB0002286, 7 Roads, Kadapa), is intended to cover the expenditure for the renovation of the seminar hall.

We hope that this donation will contribute to the creation of a conducive learning environment for the students. We trust that the renovation will be carried out in a manner that reflects our grandparents' values and commitment to women's education.

Thank you for your efforts in promoting women's empowerment and education. We look forward to seeing the positive impact of our donation.

Thanking you sir

Yours Sincerely
For SKK & KRS Charitable Trust

7.3.1. Institutional Distinctiveness of the college

Since the establishment of SKR & SKR Govt. College for Women, Kadapa (Autonomous) in 1973, it has been striving hard to facilitate the quality education to its women students and to achieve academic excellence. The institution aimed at overall development of women students and it can be distinctively noteworthy through increasing enrolment and pass percentage every year. The institution is focusing on overall development of all the student especially girl students to make them aware of the importance of being educated, self-reliant, confident, and can take care of themselves at crucial times. Awareness programs and training programmes are conducted to develop will power, strength, confidence are planned like, karate coaching, yoga practice, and involving them in rally's, skits, like beti bachao beti padao, importance of personal hygiene, awareness programs on female feticide, conducting lectures on woman health by inviting lady doctors, to conduct health check-up etc. Students encouraged to participate in competitions and given lead roles in gatherings, functions, to bring in them the organizational skills. The College provides ample opportunities to the students from different streams to mingle together in the academic as well as sports, cultural and other extra-curricular activities organized through different societies and clubs. The students are always encouraged to pursue higher studies and withstand all the calamities in life.

Women empowerment is not just limited to providing career opportunities but also the students are equipped with life skills, decision-making skills and problem-solving skills. Students are given self-defence training to make them ready to face the real challenges of life. Students celebrate National Festivals like Independence Day, Republic Day and National Youth Day. A sense of oneness with all is created by the Religious Harmony Songs sung every week during the prayer. By celebrating all the important and special days in the college, the students are exposed to various disciplines and principles of life. The college respects the culture and tradition of India which made the students obey, respect and love the country in their own way. This institution has evolved with very few courses, teachers and students with the minimum number of facilities, but today this college is acclaimed to be the best choice for the women students in and around Kadapa. Besides the teaching process, to develop the intellectual and reasoning qualities of the students and for the all-round development, every year Debate competition, poem recitation, essay writing, Slogan writing, Rangoli making, poster and GK competition are organized by the departmental councils of the college. To encourage the students, the winner students are awarded in the Annual function at the end of every academic year.

The motto of this institution is "Thamasoma Jyothirgamaya" which means "From darkness, lead me to the light." The institution in all the ways possible is trying to justify this motto by enriching the knowledge and skills in the students. The institution is hoping to see the students become the well-educated leaders and global citizens excelling to address the challenges at global level.

To make the vision of the college to reality a distinctive set up named Jawahar Knowledge Center was started by APCCE in our college to impart employable skills to students on 25th of April 2007 onwards. Every year 3 batches comprises of 100 per each Batch from Final Year Students were selected from all groups and were given training for 250 hours in different modules. Training session starts from 9.00 AM to 10.00AM and 4.00 to 5.00 PM regularly under the guidance of full time mentors. It conducts on campus and off campus drives every year. Training JKC imparts training, in English language proficiency, Analytical skills, General Awareness, Communication Skills 60 hours , Soft Skills, 30 hours, Analytical skills 60 hours, Technical skills 60 hours and General awareness 30 hours (total 250 hours) . For JKC Training Programme as per CCE Instructions fixed fee of Rs.500 from BC, OC students and whereas No Fee is Collecting for the SC ST Students. Providing JKC Study Material for Communication Skill and Soft Skills, analytical skills commuter Skills. JKC is issuing ID Cards to the JKC Students Outcome: In this academic year 230 students were given training out of them 69 students were placed in various companies in oncampus drives conducted by the college.

With a pleasant environment and adequate learning ambience, college has been imparting outcome based quality education with values and skills through blended teaching-learning and reaching the expectations of the stakeholders in empowering the women students since its inception in the year 1973. The institution has well experienced, qualified faculty, staff and skill development trainers to develop thinking capacity, analytical and interpersonal skills, communication skills in students. Being Autonomous institution constantly reviewing the curriculum as per the industry requirements. Outcome Based teaching learning process, academic discipline, innovative practices in the laboratory, projectbased subject learning, bridge course, remedial classes, research and development activities, industry linked training, Community Service Projects and internships, various skill training, personality development programmes and active participation in the various seminars, conferences, activities for life skills, yoga and meditation, curricular, co-curricular and extracurricular activities are conducted to ensure holistic development of the students.

INFLIBNET access, Swachh Bharat, national importance programmes, statutory and non- statutory bodies, NCC, NSS, WEC, Anti Ragging Cell, Consumer club, Eco club, Alumni, job recruitment drives enhance good administration and academic excellence of the institution. It also contributes significantly to make students to reach the pinnacle of prospective career.

The ever increasing focus on research is evident from the cumulative increase in Research Centres, research supervisors, research scholars and Doctoral Degrees, besides innumerable Research Projects and seminars/workshops organized by the institution at the National and International levels show that the institution is poised for a great leap to be a Hub of Research from being a mere undergraduate institution. The strong and continuous support of the Alumni and the Effective online feedback mechanism devised by the college on every key aspect becomes reasons for thereputation enjoyed by the college. The institutional efforts for sustainability and bio-diversity and the necessary environment friendly efforts like sprawling gardens, green house, Vermi-Compost Unit, Solid & Wet Waste Management, Rainwater Harvesting, Establishment of Solar Panels and use of LED bulbs mark out the college as a unique eco-friendly institution.

From the academic year 2025-26 SKR & SKR Government College for Women, Kadapa (Autonomous) implementing **psychometric test for students** is a structured assessment designed to measure a student's **mental capabilities, personality traits, interests, and behavioral style**. These tests are widely used in education for **career guidance, academic planning, and personal development**.

Psychometric Test for Students

Objectives of psychometric test:

The main objective of psychometric tests for students is to assess their abilities, personality traits, interests, and potential in order to guide them toward suitable academic and career paths. These tests help identify strengths and weaknesses, improve self-awareness, and support informed decision-making regarding subject selection and future goals. They also aim to understand a student's behaviour, learning style, and aptitude, which can enhance personal development, boost confidence, and reduce confusion or stress related to career choices.

Psychometric tests help students make informed **career decisions** by assessing their **aptitude, interests, personality, and emotional traits**. By identifying strengths, weaknesses, and natural inclinations, these tests suggest suitable academic streams and professions. For example, a student with strong analytical and numerical skills may be guided toward engineering, finance, or data science, while someone with creative and artistic interests may be recommended for design, arts, or media careers. Personality and emotional intelligence assessments further ensure that career choices align with the student's behavior, work style, and interpersonal strengths, increasing the likelihood of long-term satisfaction and success.

Types of Psychometric Tests for Students:

1. Aptitude Tests
2. Personality Tests
3. Interest Inventories
4. Emotional Intelligence (EQ) Tests
5. Career Assessment Tests

Achievements:

Psychometric Tests for Students refer to the notable accomplishments of a student in academics, extracurricular activities, or personal development that reflect their skills, talents, and dedication. In the context of psychometric testing and career guidance, achievements help:

1. **Validate Aptitudes and Interests** – Success in competitions, projects, or contests can confirm a student's strengths in areas measured by the test.
2. **Boost Confidence** – Recognizing achievements increases self-awareness and motivation.
3. **Guide Career Decisions** – Achievements can highlight areas where a student naturally excels, helping match them with suitable career paths.
4. **Show Personal Growth** – They reflect persistence, leadership, teamwork, and other personality traits assessed in psychometric tests

Conclusion:

Psychometric tests provide valuable insights into a student's cognitive abilities, personality traits, interests, and aptitudes. They help identify strengths, weaknesses, and potential career paths, enabling informed academic and vocational decisions. By objectively assessing various skills and psychological attributes, these tests support personalized guidance, enhance self-awareness, and foster holistic development in students.
