GREEN PRACTICE

The term “Green” means Eco-friendly or not damaging the Environment. This can acronymically is called as “Global Readiness in Ensuring Ecological Neutrality” (GREEN).

Green policy is implemented SKR & SKR Govt. College for Women (A), Kadapa since its inception in 1973 to keep environment green and clean. The purpose of the green practice is to identify, quantify, describe and prioritize framework of Environment Sustainability in compliance with the applicable regulations, policies and standards. Green policy aims eco-friendly atmosphere and environmental practices within and outside of the college. It provides staff and students better understanding of Green impact on campus. Green Campus leads to sustainable development. Plantation is encouraged by the Principal and all Departments, Faculty members to increase greenery and reduce carbon dioxide emission effects. Extension programs also organized to create environment awareness and conservation of Biodiversity amongst the students and public.

SwatchhaBharath, JaganannaPachhathoranam, Clean and Green Programme, NSS, NCC, all Departments have been implementing Green Practices in the college.
